

BUET-Teletalk Inter-University Mathematical Olympiad 2009

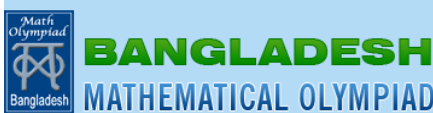

Call for Participation

It is our pleasure to inform you that the Department of Mathematics of Bangladesh University of Engineering and Technology (BUET), Dhaka is going to organize the 16th Mathematical Conference during 17-19 December, 2009 to be held in BUET, Dhaka. A good number of scientists, technologists and researchers from Australia, Germany, India, Iran, Ireland, Japan, Malaysia, Morocco, Pakistan, Singapore, Sri Lanka, Thailand, UK, USA will be attending the conference.

As a part of the conference we are going to organize **BUET-Teletalk Inter-University Mathematical Olympiad on 11th of December 2009 at BUET** in co-operation with **Bangladesh Mathematical Olympiad Committee**. The aim of the Mathematical Olympiad is to create the opportunity for our young talented students in the country to shine and show their mathematical and analytical talents and to create a national awareness for the development of math skills. We are inviting all the talented mathematicians of our country studying in different public and private universities to participate in the Olympiad. Only 200 students will be allowed to sit for the competition. Judge committee will finalize the list of contestants for the Olympiad. All the concerned students are encouraged to participate to the competition. **Last day of registration is 20th of November 2009. Syllabus for the competition, rules and online registration form** are available on

www.buet.ac.bd/math/mathconf09/matholympiad09/
